### III. LINKING

The Deputy Coordinators and the EAP staff assistants are responsible for ensuring that all papers are linked in the SSSEAP library before they are sent to S/S-S. All drafting offices are responsible for E-mailing final documents to the EAP staff assistants. When creating the documents, drafters should assign standardized titles as follows: "China: Scope Paper," "Honolulu:Larsen BM," etc. This makes it easier to consolidate the package in EAP or S/S-S and make last minute changes or additions.

Thanks for your cooperation.
